**AFFIDAVIT IN SUPPORT OF COMPLAINT**

I, Justin J. Burnham, being duly sworn, depose and state:

**INTRODUCTION**

1. I am a Special Agent with Homeland Security Investigations (HSI) and have been so employed since October 2008. I am currently assigned to the Buffalo Field Office of HSI and am assigned to the Child Exploitation Unit (CEU). As a member of the CEU, I investigate the sexual exploitation of children, including possession, receipt and the production of child pornography, the transfer of obscene material to a minor, as well as coercion and enticement, in violation of Title 18, United States Code, Sections 2251, 2252, 2252A, 1470 and 2422. I have received specialized training in the area of child pornography, child exploitation, and coercion and enticement, and I have had the opportunity to observe and review numerous examples of child pornography, as defined in Title 18 United States Code, Section 2256.

2. I make this affidavit in support of a criminal complaint charging **TIMOTHY MYERS (MYERS)** with violations of Title 18, United States Code, Sections 2251(a) [Production of Child Pornography], 2422 [Coercion and Enticement] and 18 USC 1470 [Transfer of Obscene Material to a Minor].

3. The information contained in this affidavit is based upon my personal knowledge and observation, my training and experience, conversations with other law enforcement officers and witnesses and a review of documents and records. Because this affidavit is being submitted for the limited purpose of establishing probable cause in support of a criminal complaint charging MYERS with the above offenses, I have not included each and every fact known to me concerning

this investigation. I have set forth only the facts necessary to establish probable cause to believe that MYERS knowingly violated Title 18, United States Code, Sections 2251(a), 2422, and 1470.

7. Pursuant to the provisions of New York State penal law section 263.10, it is a New York State crime for any person knowing the character and content thereof, he produces, directs or promotes any obscene performance which includes sexual conduct by a child less than seventeen years of age.

#### **PRE-SEARCH WARRANT INVESTIGATION**

8. As detailed below, the investigation revealed that MYERS utilized Facebook to communicate with at least 4 minor victims using the alias of Colin James (CJ) Mikowski. Two victims are located in the Western District of New York.

#### **MINOR VICTIM 1**

9. On April 4, 2017, the New York State Police (NYSP) barracks in Machias, New York received information from a minor female, hereinafter MV1, and her father, regarding constant harassment over the telephone and social media from MV1's ex-boyfriend, an individual who used the identity of Colin James (CJ) Mikowski. The identity of MV1 is known but has been left out of the affidavit because she is a minor. The family of MV1 advised the NYSP that they believed that the identity of CJ Mikowski was fictitious. The NYSP began an investigation into the allegations made by MV1 and her father, and eventually contacted Homeland Security

Investigations (HSI) for assistance in the investigation of CJ Mikowski. The NYSP interviewed MV1 on two occasions and HSI agents conducted an interview with MV1 on April 26, 2017. During the interviews MV1 provided information about her relationship with CJ and how it evolved over time.

10. MV1 said that in December of 2016, she became acquainted with a person who identified himself as "CJ Mikowski" and used the Facebook profile name of "CJ Mikowski". MV1, who was 16 years old at the time, said "CJ" told her he was 19 years of age and from Holland, New York. According to MV1, the two of them continued communicating on Facebook Messenger and spoke on the phone throughout December.

11. MV1 said that around Christmas of 2016, the two of them arranged to meet in person to spend the night at CJ's home in Holland, New York. MV1 said that on December 26, 2016, "CJ" picked her up at her residence. MV1 said "CJ" arrived in a black Ford Explorer with Pennsylvania license plates. MV1 said she was concerned when she first saw CJ and that the image CJ used as himself on Facebook did not match that of the person who arrived at her residence. When asked about looking dissimilar to what she expected, CJ attributed the discrepancy to the fact that he had a lung transplant and gained weight following the procedure.

12. MV1 said the two of them drove to an unknown house in Holland and engaged in sexual intercourse and oral sex. MV1 later said that the two did not travel to Holland, New York, but traveled to his apartment in New Jersey. When asked why she originally said she traveled to Holland, New York, MV1 said she told her father that they went to Holland, New York and that he would have been angrier that she traveled so far away from home. MV1 said that she and "CJ" arranged to go to his house in Holland, New York, but after she noticed that "CJ" was driving in the opposite direction, she asked CJ where he was taking her. MV1 advised that CJ

said he was taking her to the beach which she assumed was his beach house in New Jersey, information she acquired from previous conversations with him. MV1 stated she was frightened and although she didn't want to go, she was afraid to say anything to "CJ". MV1 said they eventually reached New Jersey and the remainder of their time together was limited to "CJ's" apartment room and that they had sexual intercourse several times. MV1 stated she advised "CJ" that she was 16 years old at the beginning of their relationship and that he said the age discrepancy was not an issue if the difference in age was less than four years.

13. MV1 said she and "CJ" continued their relationship via Facebook Messenger and by phone throughout January 2017. MV1 said CJ continued to talk to her using telephone number (724) 953-[redacted]. During her February 2017 break from school, MV1 and "CJ" agreed to meet again and travel to his apartment in New Jersey where they would spend a few days together. MV1 said "CJ" planned to pick her up at the end of her street. MV1 said that upon hearing that she was walking to meet a friend, MV1's father became suspicious and decided to drive her to the end of the road where her friend could pick her up. MV1 said that when they got to the road, "CJ" was waiting in his vehicle. MV1's father and "CJ" spoke at which point MV1's father asked what "CJ" was doing there. "CJ" told MV1's father that he (CJ) was in the area to buy a plow and then drove away. MV1 acted as if she did not know CJ and then told her father that her friend was no longer able to pick her up.

14. MV1 said that on the following day, "CJ" and MV1 arranged to have a friend of hers pick her up at her house and drive her to Delevan, New York where "CJ" would pick her up. The identity of MV1's friend is known, but is being left out of the affidavit because she is a minor. In exchange for the ride, MV1's friend requested gas money which "CJ" paid to transport MV1 from her residence to him in Delevan, New York. MV1 said the two of them then drove to "CJ's"

apartment in New Jersey where they spent several days together. MV1 stated she and "CJ" engaged in sexual intercourse throughout the week until he drove her back home.

15. MV1 advised that she and "CJ" continued their relationship over the phone and in late March, MV1 attempted to end the relationship with "CJ", although "CJ" continued to pursue MV1 over Facebook and via telephone.

16. When asked about the nature of the communication between her and CJ, MV1 advised that they would talk through Facebook messenger, Snapchat, and through voice calls over the telephone. MV1 said she and "CJ" talked about all kinds of topics that normal people do and that the nature of the conversation would typically turn sexual. MV1 said CJ has asked her to take pictures of herself and send the same to him and that this activity took place between December of 2016 through the end of March 2017 while she was 16 years of age. MV1 said these pictures were generally pictures of her body and that CJ had requested her to send him pictures of her breasts and her "pussy". MV1 also said that CJ has requested images and videos of her masturbating. When asked if she sent images/videos of herself masturbating, MV1 said she didn't, that CJ would be mean to her for not sending them to him, and would accuse her of cheating on him. MV1 said that on one occasion, CJ asked her to masturbate with a hairbrush which she refused to do. MV1 said she had sent a total of approximately 7-8 pictures of her genitalia over the course of their relationship and that most of these images were sent via Facebook and through text to CJ's telephone number bearing telephone number (724) 953-[redacted]. MV1 said "CJ" would specifically request that she "spread her clit apart" for those pictures depicting her vagina like the picture described in paragraph 22 below. When asked if CJ sent her images/videos of his genitalia, MV1 said he did, but hadn't sent any images until after they met and had sex at his apartment in New Jersey.

17. After receiving the investigative lead, the mother of MV1 was interviewed by the NYSP and again later by HSI. During the interviews, MV1's mother advised that "CJ" began contacting her through the Facebook account of "CJ Mikowski" about MV1 after their relationship ended. MV1's mother said "CJ" told her that he and MV1 may be having a child together and that he and MV1 have had sex with each other.

18. MV1's mother said she was later contacted by a person using "CJ's" Facebook page who identified himself as "Patrick Mikowski". MV1's mother said "Patrick" also used various telephone numbers including (716) 638-[redacted] and (716) 216-[redacted]. MV1's mother said "Patrick" identified himself as "CJ's" brother and as NYSP Trooper operating out of Lockport, New York. MV1's mother said "Patrick" had made positive comments about "CJ" and that "CJ" was "looking out" for MV1. MV1's mother said Patrick advised her that "CJ" was involved in a motor vehicle accident in Pennsylvania and that he was airlifted to Strong Memorial Hospital in Rochester, New York where he was being kept alive on life support. According to MV1, "Patrick" stated the accident was a suicide attempt because "CJ" was so distraught from his breakup with MV1.

19. Because she was so upset, MV1 and her parents then drove to Strong Memorial Hospital and were told there was no record of a person named "CJ Mikowski" being treated, nor did they have any patients brought in from a motor vehicle accident matching the description they were provided. At this point, MV1 and her family began suspecting that "CJ Mikowski" didn't exist and that MV1 was being manipulated by this person.

20. When confronted about "CJ" not being a patient at Strong Memorial Hospital, MV1's mother said "Patrick" explained to her that "CJ" was being guarded by NYS police because of concerns over the group of people who attempted to kill "CJ" during the past weekend

and that this was the reason the staff at the hospital said that “CJ” was not at the hospital being treated from his motor vehicle accident.

21. NYSP investigators later determined that no individual by the name of “Patrick Mikowski” worked as a NYSP employee in the area. When confronted with this information by MV1’s father, “Patrick Mikowski” continued to claim that he was a NYSP Trooper out of Lockport, New York and that MV1’s father had incorrect information.

22. MV1’s mother said she and MV1’s father were very suspicious about “CJ” and “Patrick”. MV1’s mother said “Patrick” made an effort to convince her that he was actually “CJ’s” brother. When asked what “Patrick” did or say to convince her, MV1’s mother advised that on April 1, 2017, a person claiming to be “Patrick” used “CJ’s” Facebook messenger account of “CJ Mikowski” to send her a number of Facebook screenshots of previous conversations between “CJ” and MV1. MV1’s mother said one of these screen shots depicted the naked body and exposed vagina and breast which MV1’s mother identified as MV1, shown lying in the bedroom of MV1 in their residence. This image, which was subsequently viewed by SA Burnham depicts MV1 lying on a bed, her breasts and vagina exposed with one of her hands placed at the top of her vagina. This image constitutes child pornography as defined in 18 United States Code Section 2256.

23. MV1’s mother said MV1 told “Patrick” that her parents didn’t believe “CJ” was ever actually in a car accident. MV1’s mother said “Patrick” then texted her (MV1’s mother) and confronted her about why she didn’t believe him about “CJ’s” accident. MV1’s mother said she told “Patrick” that she didn’t want to speak with him anymore and that he should contact her husband if he wanted to talk more about the matter. “Patrick” later called MV1’s father and attempted to convince him that he was “CJ’s” brother.

24. On May 3, 2017, at approximately 4:19 p.m., MV1, in the presence of HSI special agents, made a controlled call from her cellular telephone to telephone number (724) 953-[redacted], the telephone number known to be used by "CJ". During the course of the recorded telephone call, MYERS explained how the child pornography described in paragraph 22 above was sent to her mother. MYERS said he took "screen shots" of a number of their Facebook messages and that his brother "Patrick" had sent a number of those screen shots to MV1's mother using his (CJ'S) Facebook account. When MV1 asked about this image being sent to her mother, MYERS said he remembered taking that particular screen shot and acknowledged that it depicted MV1's vagina. MYERS later apologized that the child pornography was sent to MV1's mother, but asserted that he protected the images sent to him by MV1.

25. On May 4, 2017, at approximately 5:33 p.m., MV1, in the presence of HSI special agents, made a controlled call from her cellular telephone to telephone number (724) 953-[redacted], the telephone number known to be used by "CJ". During the recorded telephone call, MYERS turned the conversation into a sexual direction, requested MV1 to masturbate, and directed MV1 on how she should masturbate.

26. On May 8, 2017, HSI SA Justin Burnham separately presented a photograph array to MV1, MV1's father, and a friend of MV1's referenced in paragraph 14 above. All three individuals identified MYERS as being the individual they understood to be "CJ Mikowski" when they met him in person.

27. Public database queries conducted by the NYSP and HSI using the Lexis Nexis Accurant database show that the telephone number used by "CJ", (724) 953-[redacted], was assigned to Timothy Myers at the address of 163 Roosevelt Way, Crabtree, PA, 15624, an address listed on MYERS' criminal history as being his residence. Pennsylvania Department of Motor

Vehicles (DMV1) queries showed that MYERS owned a 2005 black Ford Explorer bearing Pennsylvania registration KCS1649 which was found to be registered to the address 163 Roosevelt Way, Crabtree, PA, 15264.

28. MV1 said the person's voice which she spoke with on telephone number (724) 953-[redacted] and Facebook audio calls is the same voice of the person who picked up her up in a black sport utility vehicle (SUV) and with whom she visited both in December 2016 and February 2017. MV1 said she knows this individual to go by the name "CJ Mikowski". In addition to having the same voice, MV1 said the details of their relationship were known both by the individual she talked to on the telephone and the person she visited with in New Jersey in such a way as that they were the same person she identified in paragraph 26 above.

On May 12, 2017, a summons was issued to Tracfone Wireless, Inc. for subscriber and call information associated with telephone number (716) 953-[redacted], the telephone number MYERS claimed he used, and the number he provided to various minor females via his "Colin James" and "CJ Mikowski" Facebook accounts. 32. The telephone number (724) 953-[redacted] was a telephone number MYERS admitted to having used. This telephone number was also used by MV1 to communicate with MYERS during controlled telephone calls by HSI agents.

33. On August 8, 2017, a summons was issued to Optimum Online Inc. for subscriber information associated with the following IP addresses known to be used by the Facebook accounts of "Timothy Raymond", a Facebook account MYERS admitted he used.

47.16.164.13 on April 19, 2017 at 01:16:41 UTC

36. On October 23, 2017, information from Optimum Online Inc. was received and showed that these IP addresses were resolved to MYERS' residence located at 82 Winding Wood Drive, Apartment 8A, in Sayreville, New Jersey.

### **FACEBOOK SEARCH WARRANTS**

37. In July and November 2017, HSI SA Justin Burnham applied for and received federal search warrants in the Western District of New York for the Facebook, Inc. accounts of "CJ Mikowski", "Colin James", "Timothy Raymond" and "Alicia Kathryn".

38. As further described below, during the review of the data provided by Facebook, Inc. in connection with the above Facebook search warrants, SA Burnham identified dozens of minor females for whom MYERS communicated with the Facebook accounts of "Colin James" and "CJ Mikowski". A review of the chats between MYERS and the minor females resulted in

the discovery that MYERS caused the production of child pornography, received child pornography, possessed child pornography, enticed and coerced minors to engage in unlawful activity, and transferred obscene material to minors while communicating with these minor females on Facebook.

**RESIDENTIAL SEARCH WARRANT & MYERS INTERVIEW**

39. On September 22, 2017, the HSI Newark Child Exploitation Unit (CEU) applied for and received a federal search warrant for the residence of MYERS located at 82 Winding Wood Drive, Apartment 8A, in Sayreville, New Jersey. On September 25, 2017, the HSI Newark CEU executed the federal search warrant at MYERS' residence and seized multiple electronic devices.

40. On September 25, 2017 during the execution of the residential search warrant, HSI conducted a consensual, non-custodial interview of MYERS. MYERS was interviewed later that evening as well and participated in a polygraph examination which he subsequently failed. During the interview, MYERS admitted he used the Facebook accounts of "CJ Mikowski", "Colin James", and "Timothy Raymond". MYERS also said a friend of his by the name of "JP" may also have used his "CJ Mikowski" Facebook page. MYERS admitted the name "CJ" stood for "Colin James" and that he had been the user of telephone number (724) 953-[redacted]. MYERS admitted he corresponded with MV1 via Facebook and that he told her he was approximately 20 years of age. When asked why he wouldn't tell the MV about his true age, MYERS admitted it was because a younger girl would not want to communicate with someone who was 30 years old. When asked about the vehicle accident referenced in paragraph 18 above, MYERS admitted "there was no accident" and that he told the MV and her family that he was in an accident "to make her feel bad". When asked about the fictitious identity of "Patrick

Mikowski” to communicate with MV1’s family, MYERS admitted he used Text Now telephone numbers to represent “Patrick Mikowski” as a law enforcement officer to communicate with MV1 and her family. MYERS added that his friend, Ron, also acted as this individual as well.

41. When asked about the pictures of the MV that he received, MYERS said the MV used Facebook to send him “nudes” when she was taking a shower. When asked when the pictures were sent, MYERS advised that they were sent in December 2016. When asked if he asked for these types of pictures, MYERS said “Yes and No”. When asked to clarify, MYERS said he asked for some pictures, but not all the pictures she eventually sent. When asked the part of her body that he asked the MV to photograph, MYERS said he couldn’t remember, but that when he chatted with a girl over the internet, he would ask for pictures of her “breasts” or “box”. When asked if he was referring to “her pussy”, MYERS responded in the affirmative. MYERS also admitted that the images of the girls who he has spoken with should be saved in his Facebook accounts and that he typically received nude images of girls between the ages of 16-19. MYERS admitted he has used Facebook to communicate with girls who were 15 years of age as well. MYERS also admitted he asked MV1 to masturbate, that she sometimes did engage in this activity, and that he would ask her if he could “see”. MYERS admitted he received pictures, but no videos, of MV1 through Facebook. When asked about the images of a penis he would send to girls he communicated with through Facebook, MYERS originally said he used an image of “Ron’s” penis, but later said he received these images from another girl, and that he used these images because it depicted his penis as being larger than it actually was.

42. When asked about MV1’s image of child pornography that he sent to MV1’s mother using Facebook, MYERS admitted he sent it so MV1’s mother was aware of the types of pictures MV1 sent to other people and that she wasn’t an innocent or perfect daughter.

43. When asked about using Facebook to threaten the younger girls he spoke with, MYERS admitted he has threatened to send other people's naked pictures to various other people since he was approximately 16 years old and that he would make these threats because he became angry with the girls he spoke with. When asked if he ever threatened to send MV1's pictures to other people, MYERS said he did and admitted he authored a Facebook post regarding MV1 which read:

"Anyone want special pictures of [Name redacted]? Hmu".

44. MYERS originally denied engaging in sexual intercourse with MV1, however he later admitted he did in April 2017.

45. During the review of the Facebook communications between "CJ Mikowski" and MV1, approximately 15 images of child pornography and numerous images of child erotica were found to have been received and possessed by the Facebook account of "CJ Mikowski" from MV1. In addition, the Facebook account "CJ Mikowski" showed that approximately three images of an adult male's penis were sent from the Facebook account of "CJ Mikowski" to the Facebook account of MV1.

46. During a review of the Facebook communications between "CJ Mikowski" and MV1, numerous conversations were discovered. Some of the conversations, among other conversations, are included below. In the below conversation, "CJ Mikowski" tells MV1 that she has lied to him and that she should "make it up to" him by sending a video of her "pussy". After explaining that she didn't want to send a picture of that, "CJ Mikowski" agreed to receive pictures of her buttocks.

53. On February 5, 2017, MV1 was communicating with "CJ Mikowski" through Facebook messaging and MYERS appeared to be communicating with her through another method believed to be telephone communications. On February 5, 2017 at approximately 6:40:32 (UTC), MV1 used Facebook to send an image depicting the lascivious display of her genitalia to the Facebook account of "CJ Mikowski".

#### **MINOR VICTIM 2**

55. On August 23, 2018, HSI Forensic Interview Specialist (FIS) Marisol Tischman conducted and HSI SA Justin Burnham witnessed a forensic interview of minor victim 2 (MV2) at the Child Advocacy Center located in the Western District of New York. The identity of MV2 is known but has been left out of the affidavit because she is a minor.

56. MV2 said she communicated with Colin James through Facebook while using her Apple iPod while residing in the Western District of New York. MV2 said they began

communicating when “Colin James” sent her a friend request on Facebook and told her that she was pretty. MV2 advised that “Colin James” was approximately 28 years old.

57. MV2 said that while communicating with “Colin James”, he would frequently attempt to meet with her, but she never did meet with him in person. MV2 also said she would have telephone calls with “Colin James” and that he would talk about watching several of his friends have sex with MV2.

58. MV2 was then shown a series of pictures that MYERS has used to represent himself under the Facebook name of “Colin James”. MV2 subsequently identified multiple pictures as being the person she understood as “Colin James”. In addition, MV2 recognized a picture of a penis that “Colin James” represented as his own that was sent from the Facebook account of “Colin James” to her account. This picture was sent to MV2’s Facebook account from the Facebook account of “Colin James” on May 30, 2017, at approximately 3:55:56 (UTC).

59. MV2 was then shown approximately three images sent from her Facebook account to the Facebook account of “Colin James” between July 1, 2017 through August 26, 2017. MV2 identified herself as the subject of the photographs in all three pictures. MV2 said “Colin James” requested she produce these images and send them to him which she subsequently did. MV2 said “Colin James” would ask her to send him pictures of herself masturbating and pictures of her spreading her butt cheeks as well. SA Burnham reviewed these three images and determined they met the federal definition of child pornography.

60. MV2 said “Colin James” would get really mad at her if she didn’t send him the pictures he requested. MV2 said he would call her and just “sit there” and would “almost yell at her” because she wasn’t “doing what she was supposed to be doing”. MV2 said “Colin James”

also threatened to “expose me once or twice”. When asked to clarify, MV2 said he would threaten to “post her nude pictures” but is unsure if he ever posted them. MV2 said “Colin James” would threaten to post these pictures and because of this she “would send them again because I felt like he was gonna really do it”.

61. FIS Tischman then reviewed more of the chats between MV2 and the Facebook account of “Colin James”. At that time, MV2 confirmed that she told “Colin James” that she was 14 years of age and that she had just completed 7<sup>th</sup> grade at the time of their conversation. Below is that conversation, in part:

#### ADDITIONAL VICTIMS UNRELATED TO WDNV

68. Your affiant has also identified additional victims not located in the Western District of New York but victim to identical conduct by MYERS. The investigation revealed the following:

#### MINOR VICTIM 3

69. On October 18, 2017, another minor victim, herein MV3, was interviewed by HSI Forensic Interview Specialist (FIS) Crystal Gregory in Union, Missouri. The identity of MV3 is known but has been left out of the affidavit because she is a minor. During the interview, MV3 said she met "CJ" on Facebook through another one of her Facebook friends who had also dated "CJ". MV3 said she primarily communicated with "CJ" via telephone, but that they also communicated over Facebook. MV3 said she told "CJ" she was approximately 13 years old, and that he said he was approximately 14 or 15 years of age. When asked if he sent pictures of himself, MV3 said he sent a picture of his genitals. When asked what part of her body were in the pictures she sent to him, MV2 said "down here" and "up here" and pointed at her genitals and chest.

70. MV3 advised that she attempted to end the relationship with "CJ" at which point he said he would text her father if she did. MV3 said "CJ" also said he would text her "pictures"

to her mother. MV3 said she then logged into her mother's Facebook account and blocked "CJ" from her mother's account so that she couldn't receive messages from him.

71. When asked if "CJ" texted her pictures to her mother, MV3 responded in the negative, but advised that he contacted her father. MV3 remarked that after communicating with "CJ", her father "grounded" her and took her telephone away.

72. FIS Gregory described another picture of a girl wearing no pants whose hand was between her legs. When asked if she was ready to see the pictures, MV3 said she didn't want to see the pictures and started to cry. When asked why she was crying, MV3 said it was "because it's me". When asked what was going on in the picture, MV3 continued to cry and said, "I sent him a picture of me". When asked, MV3 said all the pictures were of herself and that they were pictures that she produced for him because he instructed her to. MV3 also advised that CJ told her to put her finger inside her body.

73. MV3 was then shown the first page of the chat logs between her Facebook account and MYERS' Facebook account in the name of "CJ Mikowski". After looking at the Facebook chats, FIS Gregory asked MV3 about the person with whom she was communicating with in this chat. MV2 identified "CJ" as the person she was communicating with and for whom she was dating and that she was the other person in this chat.

74. SA Burnham reviewed the Facebook search warrant return of "CJ Mikowski". During this review, SA Burnham was able to review the communication between this Facebook account and MV3's Facebook account. The following information, among other information, was found in the communications between these two accounts.

A. Approximately five (5) images of child pornography were produced by MV3 at MYERS' request. All images were sent from MV2's Facebook account and received in the Facebook account of "CJ Mikowski".

B. Approximately six (6) images of child erotica were sent from MV3's Facebook account and received in the Facebook account of "CJ Mikowski".

C. Approximately one (1) image of an adult male's penis was sent from the Facebook account "CJ Mikowski" to MV3's Facebook account.

D. During their chats, "CJ Mikowski" asked MV3 for her telephone number which she provided. MV3 then asked "CJ Mikowski" for his telephone number. The telephone number "CJ Mikowski" provided was (724) 953-[redacted], a telephone number known to be used by Timothy MYERS.

son". MV3's father then provided a telephone number and asked that MYERS, who was acting as "CJ's" father, call him to discuss the matter further. Later, MV3's father thanked MYERS for bringing the matter to his attention and advised he confiscated MV3's telephone, social media accounts, and that she was in a lot of trouble. MYERS, while continuing to act as "CJ's" father, told MV3's father that he seemed like a great parent.

#### MINOR VICTIM 4

88. On August 29, 2018, HSI SA Aaron Chapman and Jim Burns conducted an interview of minor victim 4 (MV4) in North Carolina. The identity of MV4 is known but has been left out of the affidavit because she is a minor.

89. MV4 described how she first met "Colin James". MV4 said she went to a friend's house for a sleepover and that she and her friend were using Facebook. MV4 said her friend was "Facebook friends" with a guy who presented himself on Facebook as "Colin". MV4 said that while communicating with him, "Colin" asked for her telephone number and advised he was 16 years of age. MV4 said she thought she told him that she was approximately 12 or 13 years old and in 6<sup>th</sup> or 7<sup>th</sup> grade at the time. MV4 said she and "Colin" talked to each other over the telephone and that "he got me to like send some stuff". MV4 said "Colin" threatened to post these things if she didn't send more. MV4 said "Colin" told her he posted this, referring to naked pictures of herself, but she was never sure if he did.

90. MV4 said she confided in a friend about how she had become "trapped" into continuing to send pictures to "Colin" through Facebook. MV4 said this friend gave her the

advice to cut "Colin" out of her life and "block" him on social media. MV4 said she eventually did this, but "Colin" created another Facebook account, kept talking to her, and told her that he would continue to post her pictures if she didn't talk to him. MV4 said she decided to block that social media account as well. MV4 said somebody who claimed to be "Colin's" cousin later called her to try and get her to talk with "Colin" again. MV4 said "Colin" then called her and threatened to kill himself if he wouldn't talk to her.

91. SA Chapman then presented several photographs to MV4 that MYERS used to represent himself as "Colin". MV4 reviewed these photographs and identified them as being who she understood as being "Colin". MV4 said she believed she and "Colin" corresponded for approximately 1.5 years. SA Chapman then presented a series of photographs to MV4. MV4 identified herself and a friend in several photographs. MV4 also identified herself as the subject of two photographs she produced at "Colin's" request which depicted the lascivious display of her vagina.

92. In total, several images of child erotica and approximately five (5) images of child pornography were produced by MV4 at the request of MYERS, sent from her Facebook account and received in the Facebook account of "Colin James", and found by SA Burnham within the Facebook account of "Colin James".

93. MV4 said "Colin" would threaten to post her nude pictures if she didn't continue to send him additional nude pictures of herself. MV4 said "Colin" sent her a picture of what he said was his penis and she thought he also sent a picture of himself masturbating.

94. SA Burnham reviewed the Facebook conversations MV4 and the Facebook account of "Colin James". Below are portions of some of the relevant Facebook conversations between the MYERS' Facebook account of "Colin James" and MV4.
